

Dear Advertiser,

Thank you for your interest in Children's Safety Guide Eastern Ontario, a new and exciting initiative promoting CityKidz Ottawa. The generosity of community-minded people like you helps make our Big Dream possible: that one day, in the not-so-distant future, we will see an end to child poverty in Canada and every child will have equal opportunity to thrive, to dream big and to reach their full potential.

We are a faith-based charitable organization that provides Playhouse fun on Saturdays for kids ages 6-12 years. Once or twice a month we go by school bus to pick up children from high-need areas of Ottawa and bring them to our Saturday Playhouse on Dufferin Road. We provide a pizza lunch, songs, games, life-changing messages and much more fun. All at no cost to the families we support.

When we are not holding the Playhouse, throughout the month, all year long, our Home Visit Program sends volunteers into these neighbourhoods to visit the children at their home. This is an important component to CityKidz Programming, as it provides an opportunity for us to build relationships with children and their families, to role model positive values and to truly show the families we care. When opportunities permit, we assist with needs the children or their families may have, whether physical, emotional, mental, or spiritual.

CityKidz programs are a stable force of love and support for kids from before they can read until well after they've written their final high school exams. We teach our kids that they matter, that they are loved, and that they can change their future – and with it, the world.

By placing an advertisement, you are helping us in our mission to increase resiliency and inspire BIG dreams for Canadian children living in low-income communities by providing inspirational experiences and nurturing personal relationships, one child at a time.

Thank you again for your interest and support.

Sincerely,

Wendy Turpin
